2024 AURC Key Dates

Version 1: 6th November 2023

2024 AURC Provisional Key Dates

The Australian Universities Rocket Competition will return in 2024 with an in-person launch event in September 2024. This document outlines the timeline of key stages of the competition and is intended to provide transparency between competitors and competition organisers. Registration for the competition will open in December 2023.

This schedule is tentative and **may be subject to change** in which case competing teams will be notified. The most recent version will always be maintained on the AURC website. Student teams should always verify they are working with the correct version by checking the version number and date and ensuring it matches the document on the website.
